

Privacy Statement

1. General

1.1 This Graphogame-Service is operated by the Niilo Mäki Foundation (Service Provider) on behalf of the University of Jyväskylä, Finland. We fully respect you (including all Users) and your Player's right to privacy, and will not collect any personal information about either of you on the Service Provider's server without your clear knowledge and permission. Any personal information which you volunteer to us will be treated strictly in accordance with EU Data Protection laws and/or relevant national legislations.

1.2 Please review this privacy statement before submitting any personal information through this Service, as by submitting personal information through this website you will be deemed to have accepted the terms of this privacy statement.

2. Collection/Use of Personal Data

2.1 Before your Player can start using the Graphogame (the "Service"), we ask you to provide us with certain information such as your name and address, your Player's name, date and place of birth. We use this data to contact you (for the purposes of verifying your identity and to provide you with questionnaires and other information about the Service). We do not collect any more data than is necessary to fulfill these purposes.

2.2 When you and your Player uses the Service, we automatically collect and store information about their use including, amongst other things, the length of their sessions, their responses and overall accuracy. We use this information to help us learn about the efficacy of the Service and to help us develop further games which might be useful for children. We may compile and report aggregate statistics about our players in terms of numbers, their training progress and related information. Any such statistics, however, will not include any personally identifying information.

3. Disclosure of Personal Data and Cookies

3.1 We may disclose your or your Player's personal information to our research collaborators. It is our policy not to disclose this information to any other third party and all the information recorded on the Service Provider's register is treated as confidential.

3.2 This Service uses cookies, so a cookie may be placed in your computer browser. Cookies are small text files which provide us with information about how often a player visits our site, and what he/she does during those visits. Cookies do not themselves contain any personally identifying information but if you provide information to us, it may be linked to the data stored in the cookie. It is necessary for us to use cookies so that we can carry out our research as described in section 2.2 above. If you are not happy with us doing so, please do not sign up to this Service.

4. Security

4.1 You and your Player's personal data will be held on secure servers hosted by Niilo Mäki Foundation in Finland. The nature of the Internet is such that we cannot guarantee the security of any information you transmit to us via the Internet. However, we will take all reasonable steps (including appropriate technical and organisational security measures) to protect your personal data.

5. Right of Access and Deletion of Data

5.1 You have the right, subject to certain conditions and exemptions, to obtain a copy of any personal data we hold about you or your Player and to correct any inaccuracies in

such data. You also have the right, subject to certain conditions, to request the deletion of any personal data we hold about you and your Player. If you wish to avail of any of these rights, please write to at the Service Provider: graphogame@nmi.fi

6. Changes to this Privacy Statement

6.1 From time to time we may decide to change our privacy statement, but any changes will be posted on this page to keep you up to date with how we collect, use and disclose information. If at any time we decide to use personal data in a manner significantly different from that stated in this privacy statement, or otherwise disclosed to you at the time it was collected, we will notify you, and you will have the choice as to whether or not we use your information in the new manner.
